Ferrite Magnet	Sintered Ferrite Magnet	Bonded ferrite magnet	Injection Bonded Ferrite Magnet
-----------------------	-------------------------	-----------------------	---------------------------------

General Description
Ferrite Magnets

Magnetic materials are fundamental functional materials of electronic industry. As important parts of magnetic materials, hard ferrite materials play a heavy role in electronic industry, electronic information industry, car industry, motorcycle industry etc. meanwhile, they are also widely used in medical treatment, mining and metallurgy, industrial automation, oil energy industry and civil industry.

Which could be classified as following:

- [Sintered ferrite magnet](#)
- [Bonded ferrite magnet](#)
- [Injection bonded ferrite magnet](#)
