

QUOTATION SHEET

No.	Type No.	Product name	Function profile	Unit price (Usd/set)
1	MATS-2010SD(200VA)	Soft magnetic material DC measure equipment	Measure static magnetic properties, $\mu_i$ , $\mu_m$ , Br, Bs, Hc and so on. Draw $\mu-H$ , B-H curve and loop.	
2	MATS-2010SA/300K	Soft magnetic material AC measure equipment	Measure static magnetic properties below 300kHz, Bm, Br, Hc, $\mu_a$ , Pc, $\delta$ and so on. Draw B-H curve and power consumption curve	
3	MATS-2010SA/500K	Soft magnetic material AC measure equipment	Measure static magnetic properties below 500kHz, Bm, Br, Hc, $\mu_a$ , Pc, $\delta$ and so on. Draw B-H curve and power consumption curve	
4	MATS-2010M/500	silicon steel transformer measure equipment	Measure B-H magnetization curve and B-Pc/Ps iron-loss curve	
5	MATS-2010SD(400VA)	Soft magnetic material DC measure equipment	With solenoid to measure open circuit sample	
6	MATS-2010M/750	silicon steel transformer measure equipment	Measure B-H magnetization curve and B-Pc/Ps iron-loss curve

Note:

1. The above price is based on FOB Xiamen, China.
2. The above price will be adjusted according to the exchange rate when ordering.
3. The final price subject to Yuxiang's confirmation.
4. The quotation is valid from mar. 2006.
